**Dear Parents,  
Assalam-o-Alaikum,  
Greetings from the NHS family!**

At NEW HORIZON SCHOOL we are incessantly exploring the innovative ideas and latest technologies to enhance educational outcomes. We understand how effective innovation can help us to create a culture that promotes a healthy educational experience for the stake holders like parent, students, teachers and management.

We are pleased to inform you that we have introduced a new “**School Information Management Software (ERP)**” called “**Entrar**” which will help us partner with you in the overall success of your child’s educational journey with us.

**Entrar**, built with a philosophy of co-creation, allows you as a parent to be involved in a transparent and open three-way communication between the school, its teachers and your child. Easy to use and navigate **Entrar**, which allows you not only to keep up-to-date with hygiene records like attendance, fee reports and dues, library information and exam time tables, but also gives you detailed access to the syllabus, assessment reports, and keep you well informed in all school related activities, along with timely alerts on everything you need to know about the school. More and more relevant features will be added on regular basis.

Dear Parents, we want you to be an active participant in your child’s daily progress in school by checking the 'Entrar Parent Portal' for daily updates.

In order to access **Entrar**, every parent / child will be provided with a User ID and Password. All the important information from the school will be conveyed to you through **Entrar**.

We feel proud to state that from the new academic session, we will be providing you the facility to pay your ward’s fee using **ONLINE** transaction methods on **Entrar**.

In order to pay your ward’s fee using **ONLINE** transaction method, you are required to log in into your respective account made on **Entrar** and follow the simple menu based steps to pay the fee. You will also be able to get the facility to check fee paid till date, outstanding fee amount, next due date for the payment of fee etc. This facility will help in reducing the wastage of time and effort, which you normally go through while paying the fee in cash / cheque at School’s counter.

Best wishes & regards,

**(SulekhaMehra)**
